Subject: Files

Hey Sarah,

I looked at the remaining files on my old desk and I don't think any of what's left is mine.

There's something called Lakeridge (I'm not sure if I have that right), a box of Gary's files from a CAA case called Gopher something, and a big box of another case called USG (I think?). Are they your files? If not, I can send an email to Randa and Pat and cc you letting them know that none of those files are ours.

Thanks,

Naeha
